Somerville, Mass., May 14.—George A. Haskell, head of the brokerage firm of

stock exchange on May 8, committed suicide by hanging in his home here to-day while his family was out motoring.

The General May 11.—(By The A. P.)—
The General conference will be it was framed after the Russian determined on June 16, at The Hague to discuss Russian questions, if the plan agreed to this afternoon at a private conference of the layting powers be accompletely to the conference of the layting powers be accompletely to the Russian desegration said it was framed after the Russ conservation of the inviting powers he accepted by the sub-commission on Rustian affairs at its meeting tomorrow.

This decision to positions action

This decision to postpone action rela-tive to firesia is prompted largely by he desire of the European powers to in-time the United States to participate, the desire of the European of dis-tipus the United States to participate, the desire of the European of dis-tipus the United States to participate, their representative or representatives and apparently is merely a means of dis-iniving the denna conference without ad-uniting that the differences between ated or accorded special-treatment which rearment of Russian problems cannot be econciled in Genoa.

Sir Edward Grigg announced this aftimeted in the compromise plan suggested to take official notice, and inti-

ernoon that the compromise plan sug-gested by Premier Lloyd George had mated today that if the inviting powers seen accepted by the inviting powers and it might result in the departure of the line of Russian affairs tomorrow. Only Russians for Moscow. ague detalls are given as to how the to clear that Russia prefers to deal sep-be arately with the various nations, and he the Russian question will formed at The Hague, and the entire scheme seems to be still in the twilight such a waiting America's decision whether a will help Europe to straighten wall live up to the terms of the Cannes resolutions and not try to bring Russian conservations.

Sir Edward added that all the powers sian sovereignty into question. attending the Genoa conference will be asked to send representatives to The GERMANY AND POLAND SETTLE lague, where they will agree upon nembers of the commission who are to Present at the meeting at Mr. Lloyd learge's villa in addition to the British rime minister were M. Barthou, of Minister Schauzer, taly Viscount Ishii, Japan, and M. Japan, Belgium. After the morning sestion Mr. Linyd George said that considerable progress had been made toward. Meeting a compromise on the organiza-

t was announced that the meeting aix months work under the chairmanship satisfactorily settled all business of M. Calouder, former president of Switserland, who was appointed arbitrational former in the chairmanship aix months work under the chairmanship aix months ai ad "eartsfactorily rettled all business and "eartsfactorily rettled all business and business and the commission and that to be participate in the commission and that to separate agreements abould be made to separate agreements abould be made verge of breaging up without an agreement. on a reciprocal basis during the labora of the commission also was adopted.

PRENCH TO APPROACH U. S. ABOUT BUSSIAN AFFAIRS

Genoa. May 14 .-- (By The A. P.)-French representatives explained today that the French delegation was selected

formation of any type of government the fination people may wish to establish. The plight of the conference with reference to Russia apparently has convincing all the delegates that nothing of a sermanent and international nature can be undertaken for Russia's reconstruction without the co-operation of the injude States, whose wealth resources and political power, they contend, make her indispensable of any great world restricted movement.

If the Russian commission idea can be worked out it is the French conviction that the United States should be given a free hand on the proposed board of injudy; being allowed to return to Rome tomorrow for an inportant parliamentary discussion, gave up the idea of leaving Genoa owing to the gravity of the situation, Italy is taking advantage of the presence at Genoa of representatives of all the European countries to carry on negotiations of an economic character. Besides the Italo-Polish commercial treaty, Italy is now negotiating a special convention of the Rumania for the importation of raw Rumain oil to Trieste, where it will be refined. This convention with Rumania will be accompanied by a commercial treaty.

BANKRUFT BOSTON BEORER
SUICIDES BY HANGING
Somerville, Mass. May 14.—(By The A. P.)—
The Italian prebler, Signor Facta, who was due to return to Rome tomorrow for an inportant parliamentary discussion, gave up the idea of leaving Genoa owing to the given at the gravity of the situation, Italy is taking advantage of the presence at Genoa of representatives of all the European countries to carry on negotia tons of an economic character. Besides that the Italy is now negotiating a special convention. The with Rumania for the important parliamentary discussion, gave up the idea of leaving Genoa owing to true to the store of an extended to the store of an economic character.
